Dear Parents,

Welcome to Giving Tree Montessori! We understand what an important decision it is to select the right school for your child. Your child's time spent with us is considered precious and valuable, and because of this, we will always welcome your feedback, concerns, or any questions you may have. We are asking that you take a moment to give us your feedback, so that we may use this information to better familiarize ourselves with your child's unique learning process. Also, we realize that our families are equally unique with many different backgrounds and interests, and we'd like to know about you as well! Thank you again for choosing Giving Tree, and we look forward to the school year ahead!

Warm Regards,  
Miss Angela
